

COCKROACH IAS is not about an insect — it is about the human capacity to persist when the world expects you to quit. We are your companions.

COCKROACHIAS REPOSITORY

Explore the Unexplored

We do not sell generic PDF books or copy-pasted compilations. We engineer interactive cognitive instruments, syllabus mapping engines, and deep question diagnostics to build your administrative persistence.

SYSTEM WORKSPACES

CockroachIAS

PHASE 1 WORKSPACE

Prelims Command System

Access syllabus mapping engines, Article diagnostics, and granular logical MCQ traps tracking databases.

ENTER PRELIMS SPACE

PHASE 2 WORKSPACE

Mains Blueprint Engine

Review subjective answer blueprints, recurrent GS syllabus weightage maps, and step-by-step diagnostic workflows.

[ENTER MAINS SPACE](#)**PHASE 3 WORKSPACE****Administrative Integrity Workspace**

Deploy case studies of civil servant reforms, administrative innovations, and values-aligned GS4 essay models.

[ENTER INTEGRITY SPACE](#)**CockroachIAS Support Integrity**

All primary mapping tools and analytical platforms remain completely open-access and free. No paywalls, no popups, and no advertising. We stand with you as companions through the journey.

Your journey to the ultimate training ground.
